Certificate of Approval

This is to certify that the Management System of:

SEKO Aerospace, a.s.

5. května 2940, 440 01 Louny, Czech Republic

has been approved by LRQA to the following standards:

ISO 9001:2015

Approval number(s): ISO 9001 - 0053740

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Precise machining of aluminum, high resistant alloys, steel and titanium components by milling, turning, grinding, honing and EDM methods for aviation industry, nuclear, steam, hydro & gas turbine applications according to customers specification. Production of rolled profiles for gas turbines blades.

Issued by: LRQA Limited

Area Operations Manager, Europe

Paul Graaf

LRQA Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'LRQA'. LRQA assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant LRQA entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
